*A Legacy of Community Healing*

## **Investing in a Healthy San Francisco for All**

Rafiki Coalition is celebrating 40 years of service with our **Health and Healing Soirée and Summit** — an unforgettable series of events rooted in community, healing, and collective joy. More than just a fundraiser, these events will honor resilience, invest in wellness, and dance in the name of liberation.

Through these events, we're raising funding for Rafiki's commitment to breaking down barriers in whole person health, creating spaces of healing, and offering free wellness services to Black and marginalized communities. Every dollar raised helps us keep this work alive.
